Consumer Information (Tulsa)

Consumer Information

Spartan College of Aeronautics and Technology will distribute annually a list of specific consumer information items. These consumer information items provide details on the college and the financial aid programs available. We have listed these items below along with the appropriate place where this information can be viewed or requested.

Click here to view the consumer information pdf.

- Financial Aid Assistance Programs – These are located on pages 13-14 of Spartan's catalog.
- Costs of attending the school (tuition, fees, books, and tools) – This information is included in the Tuition Supplement.
- Standard figures used in creating a cost of attendance for financial aid awarding purposes. These figures are for on and off campus housing, average transportation costs, and personal expenses. These figures may be obtained from the Financial Aid Department.
- Rights and responsibilities of students receiving aid – Information is available on pages 13-14 in Spartan's catalog. Additional information is included in Funding Education Beyond High School, The Guide to Federal Student Aid published by the U.S. Department of Education. This publication is available on-line at www.studentaid.ed.gov.
- Programs of study offered by the college – This information is provided on pages 27-32 of the catalog.
- A list of the faculty – This information is provided online. Click Here for Faculty List
- How the standards of academic progress (SAP) impact financial aid eligibility and re-establishing financial aid when a student fails to meet SAP - This information is provided on page 13-14 of Spartan's catalog.
- Names of associations, agencies, and/or governmental bodies that accredit, approve or license the college and its programs - This information is provided on page 4 of Spartan's catalog. A student may request a copy of the college's accreditation, licensure, or approval by submitting a written request to the President’s office.
- Special facilities and services available to disabled students – Students should discuss these issues with their admissions representative upon application for admission to the college. The admissions representative will provide the student with services available for the student's particular needs.
- Withdrawal procedures – This information is provided on pages 23 of the catalog.
- Refund policies – For all withdrawn students receiving federal student aid, colleges are required to determine the amount of federal aid the student is eligible to retain and return any unearned portions. Spartan's catalog contains a more detailed explanation of the Return to Title IV Funds on page 15. In addition to this process, Spartan will calculate tuition charges assessed for the period attended in accordance with our refund policy. The refund policy is included in our Catalog and Tuition Supplement and is on the back side of each student's Training Agreement.
- Terms and conditions for obtaining deferments on Direct loans – This information is provided as part of the entrance and exit loan counseling. Additionally, deferment information is provided in Funding Education Beyond High School, The Guide to Federal Student Aid.
- Make available, upon request, the college's completion or graduation rate. This information may be obtained by submitting a written request to the Vice President of Administration.
- Drug and Alcohol Abuse Information. Our college’s policy regarding illicit drugs and alcohol is located on page 26 of Spartan’s catalog. Additional information will be distributed annually through our Up With Life publication. Additional copies of this publication may be obtained from our Senior Vice President of Education.
- Family Educational Rights and Privacy Act (FERPA) – The FERPA (20U.S.C. §1232g; 34 CFR Part 99) is a federal law that protects the privacy of student educational records. Any questions regarding FERPA should be directed to the Student Records Office.

This is the percentage of first-time degree- or certificate from the previous fall who either re-enrolled or successfully completed their program by the current fall.

- Bachelor of Science in Aviation Technology Management 63%
- Associate of Applied Science Aviation Maintenance Technology 70%
- Aviation Maintenance Technology 51%
- Associate of Applied Science Avionics Maintenance Technology 78%
- Avionics Maintenance Technology 62%
- Associate of Applied Science Quality Control 73%
- Nondestructive Testing 71%

## Placement and Earning Report

Obtaining employment is a determining factor in anyone’s decision to attend college. Spartan is proud of the successes of its graduates. Spartan's graduates Career Services Department is available to assist graduates who are available for employment in their job search. Placement is in no way guaranteed upon graduation.

### Program Placement and Earnings Record

The following placement rates are based on student cohorts submitted to the Accrediting Commission of Career Schools and Colleges as of November 2014. Not all students were available for placement due to continuing education, military service, international status, or medical conditions.

Earnings information is based on students placed for calendar year 2013.
