Consumer Information

Spartan College of Aeronautics and Technology will distribute annually a list of specific consumer information items. These consumer information items provide details on the college and the financial aid programs available. We have listed these items below along with the appropriate place where this information can be viewed or requested.

- Financial Aid Assistance Programs – These are located on pages 13-14 of Spartan’s catalog.

- Costs of attending the school (tuition, fees, books, and tools) – This information is included in the Tuition Supplement.

- Standard figures used in creating a cost of attendance for financial aid awarding purposes. These figures are for on and off campus housing, average transportation costs, and personal expenses. These figures may be obtained from the Financial Aid Department.

- Rights and responsibilities of students receiving aid – Information is available on pages 13-14 in Spartan’s catalog. Additional information is included in Funding Education Beyond High School, The Guide to Federal Student Aid published by the U.S. Department of Education. This publication is available on-line at www.studentaid.ed.gov.

- Programs of study offered by the college – This information is provided on pages 27-32 of the catalog.

- A list of the faculty – This information is provided online at #######.

- How the standards of academic progress (SAP) impact financial aid eligibility and re-establishing financial aid when a student fails to meet SAP - This information is provided on page 13-14 of Spartan’s catalog.

- Names of associations, agencies, and/or governmental bodies that accredit, approve or license the college and its programs - This information is provided on page 4 of Spartan’s catalog. A student may request a copy of the college’s accreditation, licensure, or approval by submitting a written request to the President’s office.

- Special facilities and services available to disabled students – Students should discuss these issues with their admissions representative upon application for admission to the college. The admissions representative will provide the student with services available for the student’s particular needs.

- Withdrawal procedures – This information is provided on pages 23 of the catalog.

- Refund policies – For all withdrawn students receiving federal student aid, colleges are required to determine the amount of federal aid the student is eligible to retain and return any unearned portions. Spartan’s catalog contains a more detailed explanation of the Return to Title IV Funds on page 15. In addition to this process, Spartan will calculate tuition charges assessed for the period attended in accordance with our refund policy. The refund policy is included in our Catalog and Tuition Supplement and is on the back side of each student’s Training Agreement.
· Terms and conditions for obtaining deferments on Direct loans—This information is provided as part of the entrance and exit loan counseling. Additionally, deferment information is provided in Funding Education Beyond High School, The Guide to Federal Student Aid.

· Make available, upon request, the college’s completion or graduation rate. This information may be obtained by submitting a written request to the Vice President of Administration.

· Drug and Alcohol Abuse Information. Our college’s policy regarding illicit drugs and alcohol is located on page 26 of Spartan’s catalog. Additional information will be distributed annually through our Up With Life publication. Additional copies of this publication may be obtained from our Senior Vice President of Education.

· Family Educational Rights and Privacy Act (FERPA) – The FERPA (20U.S.C. §1232g; 34 CFR Part 99) is a federal law that protects the privacy of student educational records. Any questions regarding FERPA should be directed to the Student Records Office.

**Graduation / Completion Rates**

All Enrolled Undergraduate Student Graduation Rates for 2010 Retention Rates In accordance with HEA, as amended, each postsecondary educational institution must make available information defined by the Integrated Postsecondary Education Data System (IPEDS). Retention rate is a measure of the rate at which their educational program at an institution, expressed as a percentage. This is the percentage of first-time degree- or certificate from the previous fall who either re-enrolled or successfully completed their program by the current fall.

Bachelor of Science in Aviation Technology Management 68%
Associate of Applied Science Aviation Maintenance Technology 58%
Aviation Maintenance Technology 49%
Associate of Applied Science Avionics Maintenance Technology 80%
Avionics Maintenance Technology 68%
Associate of Applied Science Quality Control 76%
Nondestructive Testing 70%

**Placement and Earning Report**
Obtaining employment is a determining factor in anyone's decision to attend college. Spartan is proud of the successes of its graduates. Spartan's graduates Career Services Department is available to assist graduates who are available for employment in their job search. Placement is in no way guaranteed upon graduation.

### Program, Graduation, Placement and Earnings Record

The following placement rates are based on student cohorts submitted to the Accrediting Commission of Career Schools and Colleges as of November 2013. Not all students were available for placement due to continuing education, military service international status or medical conditions.

Earnings information is based on students placed for calendar year 2012.

**Note:** Students continuing with active military, international students or students with medical conditions that prevent them from gaining employment are not counted when determining placement rates. Students continuing with education have been considered in placement rate education Adjustment.

Salaries do not include overtime as required. These figures are subject to change with revision to placements. Report data based on information as of November 2013.

### Standard Occupational Classification

#### Aviation Maintenance Technology (Diploma)

**Associate of Applied Science Aviation Maintenance Technology (Degree)**

- 49-3010, 49-3011 Aircraft Mechanics and Service Technicians
- 51-2011 Aircraft Structure, Surfaces, Rigging, and System Assemblers
- 49-9099 Wind Turbine Service Technicians
- 49-3051 Motorboat Mechanics and Service Technicians
- 49-3052 Motorcycle Mechanics
- 49-3053 Outdoor Power Equipment and Other Small Engine Mechanics
- 49-3042 Mobile Heavy Equipment Mechanics, Except Engines
- 49-3041 Farm Equipment Mechanics and Service Technicians
- 49-3031 Bus and Truck Mechanics and Diesel Engine Specialists
- 49-3023 Automotive Service Technicians and Mechanics
- 49-3021 Automotive Body and Related Repairers
- 49-1010, 49-1011 First-Line Supervisors of Mechanics, Installers, and Repairers

#### Avionics Maintenance Technology (Diploma)

**Associate of Applied Science Avionics Maintenance Technology (Degree)**

- 49-2091 Avionics Technician
- 49-3010, 49-3011 Aircraft Mechanics and Service Technicians
- 49-9062 Medical Equipment Repairers
- 49-9069 Precision Instrument and Equipment Repairers, All Other
49-9097 Signal and Track Switch Repairers
49-2092 Electric Motor, Power Tool, and Related Repairers
49-2093 Electrical and Electronics Installers and Repairers, Transportation Equipment
49-2094 Electrical and Electronics Repairers, Commercial and Industrial Equipment
49-2095 Electrical and Electronics Repairers, Powerhouse, Substation, and Relay
49-2096 Electronic Equipment Installers and Repairers, Motor Vehicles
49-2097 Electronic Home Entertainment Equipment Installers and Repairers
49-2098 Telecommunications Equipment Installers and Repairers, Except Line Installers
49-2099 Radio, Cellular, and Tower Equipment Installers and Repairers
49-2021 Computer, Automated Teller, and Office Machine Repairers
51-2022 Electrical and Electronic Equipment Assemblers

Nondestructive Testing (Diploma)
17-3029.01 Non-Destructive Testing Specialists
53-6051.07 Transportation Inspectors
53-6051.01 Aviation Inspectors

Associate of Applied Science Quality Control (Degree)
11-3051.01 Quality Control Systems Managers
19-4099.01 Quality Control Analysts
51-9061.00 Inspectors, Testers, Sorters, Samplers, and Weighers

Aviation Flight (Diploma)
53-2010 Aircraft Pilots and Flight Engineers
53-2011 Airline Pilots, Copilots, and Flight Engineers
53-2012 Commercial Pilots

Associate of Applied Science Aviation Flight (Degree)
53-2010 Aircraft Pilots and Flight Engineers
53-2011 Airline Pilots, Copilots, and Flight Engineers
53-2012 Commercial Pilots

Bachelor of Science Aviation Technology Management
11-3071.01 Transportation Managers
53-2022.00 Airfield Operations Specialist
11-3051.00 Industrial Production Managers
11-1021.00 General and Operations Manager
