

Obtaining employment is a determining factor in anyone's decision to attend college. Spartan is proud of the successes of its graduates. Spartan's graduates Career Services Department is available to assist graduates who are available for employment in their job search. Placement is in no way guaranteed upon graduation.

Program, Placement and Earnings Record

The following placement rates are based on the student cohorts submitted to the Accrediting Commission of Career Schools and Colleges in December of 2010

Not all students were available for placement due to continuing education, military service international status or medical conditions.

Earnings information is based on students already placed for calendar year 2010.

Program

Program	Number of Students Graduating	Number of students Cont. ed	Number of students placed	Placement rate	2010 Average Earnings	2010 Low Earnings	2010 High Earnings
