Spartan College of Aeronautics and Technology is excited to welcome our industry partners to our “Fall 2016 Industry Career Fair”, October 12, 2016! It is our view that hosting these events will assist you and our students in securing positive recruiting and placement successes. We are proud of the education we provide and are confident Spartan students will meet the stringent demands required for positions in your company. **There is NO CHARGE to employers attending this event.** This is a TECHNOLOGY STUDENT only career fair including aviation maintenance, avionics, nondestructive testing and quality management students and graduates.

The fair is an excellent opportunity for our current students and alumni to network with industry professionals. All Spartan students will be participating in this event including students from our Aviation Maintenance Technology, Nondestructive Testing, Quality Control and Aviation Electronics Technology programs. Students attending will not only be those nearing graduation but also students who have recently began their training. Spartan Alumni have also been invited and are encouraged to attend.

We suggest you bring displays, backdrops, promotional materials and multimedia information to the Career Fair. There will be close to 500 students across all Spartan programs participating in this event.

The Industry Career Fair will be held at our North Campus located next to Tulsa International Airport in Hangar 8. Address is: 7304 East Apache, Tulsa, OK, 74115. Please refer to maps located at the end of this document for more details.

The following information is provided to assist our industry partners as they prepare and plan for the Career Fair events.

- Industry Career Fair Objectives
- Daily Schedule Information
- Drop Shipping Information
- Information on Local Hotels
- Parking

If you have any additional questions, please contact Damon Bowling at (918) 831-5388 or Beverly Thompson at (918) 831-5359.

MAPS TO SPARTAN FACILITIES

Spartan's Campuses

Spartan has three campuses:
Flight, North, and Main.
Maps of the campuses, as well as a map of Tulsa, are included. Below are maps showing directions to and from the North and Main Campuses and the Flight Campus.

Start west on Pine Street to Highway 11 (Gilocase Expressway) and go north. Take the Tulsa International Airport exit. Proceed straight when you get to the traffic light. Follow street to 73rd East Avenue. Turn right to SPARTAN NORTH CAMPUS. (Follow Arrows)

MAIN CAMPUS TO FLIGHT CAMPUS

Note:
Map not to scale.
Spartan's North Campus, 7304 E. Apache Street, is located at the Tulsa International Airport, approximately two miles from the Main Campus facilities. The North Campus is comprised of three main buildings.

Building 6 & 9  Airframe and Powerplant
Building 10  Taylor Hall - Powerplant/Quality Control/Nondestructive Testing
Building 11  Placement Office/Cafeteria

Some important facilities on the North Campus are the following:

- Offices: Airframe, Powerplant, Quality Control, Education, Director, Student Services, Graduate Career Center, Student Job Placement, Shops, labs, and classrooms, Cafeteria

The majority of offices are open before 7:30 a.m. and close at 4:30 p.m. However, should you need to see someone, it is wise to call for an appointment.
