Sales tax will be charged for all applicable Bookstore purchases. ■ Term equal 10 weeks. * This is an estimate only - includes computer, digital course content, books, testing material, and all FAA Examination Fees (First attempt only).

***ESTIMATED SCHEDULE OF TOTAL CHARGES FOR THE ENTIRE EDUCATIONAL PROGRAM

This agreement and the charges outlined above cover the entire educational program; therefore, the total charges for the current period of attendance and the total charges for the entire educational program are the same. Any interruption in training may require an updated agreement which could impact the Student's overall program cost. Upon re-entering, the Student will be charged the current rate.

TOTAL CHARGES THE STUDENT IS OBLIGATED TO PAY UPON ENROLLMENT: Application Fee, when applicable.

PAYMENT OPTION (FOUR OR MORE INSTALLMENTS): Students who choose to make cash payments while actively enrolled in classes will not be charged interest. Card users are assessed a separate, non-refundable convenience fee of up to 3% of the payment amount at the time of each credit or debit card payment for student account charges. The non-refundable convenience fee is assessed by our third-party processor, not Spartan College, and will be included with your total payment amount on your credit card statement. To avoid paying the convenience fee please use the following payment option offered by Spartan College cash, check, money order or ACH from a checking account.

Schedules are reserved on a first-come, first-served basis and class schedules vary for each class start date. A waiting list may exist for some class starting dates. In the event Student has completed all requirements to reserve a class schedule and is on a waiting list, Student will be placed on the next available starting date schedule. Schedules are by request only. The College reserves the right to change schedules and move students.

Please see Miscellaneous Fees below for a list of potential fees. Including but not limited to an international fee of \$2,000. Should additional fees be required, an approximate 30 days advance notice to the student and state approval will be required.

Note: The following fees need to be added to the total program cost for international students: (1) \$2,000 International Student Fee. *Spartan International Scholarship may be available to those that qualify. (See International Student Requirements in the College Catalog.) After Receiving the I-20 A-B form the student needs to pay the SEVIS I-901 fee of \$200 prior to the VISA interview with the American Embassy or Consulate.

All tuition and program lengths are based on a student attending the full program for which he or she is enrolled. An academic year for the Technical College is defined as completion of 900 clock hours. The satisfactory completion of the clock hours in the academic year is necessary before a student may progress to the next level of academic standing.
