

Student-Right to Know Act

According to regulations published by the Department of Education based on the Student Right-to-Know Act, the Student Right-to-Know (SRTK) Graduation Rate is described as follows:

It is based upon students who entered as full-time, first-time freshmen and graduated within 150% of the length of their program. For example, associate degree-seeking freshmen, this 150% measure describes students graduating from a two-year program within three years.

This institution was not in operation in 2014-15, therefore Graduation Rate information was not reported. The information below was the outcome of the parent campus in Inglewood, California for that same reporting period.

These rates are the graduation/completion data from Spartan College of Aeronautics and Technology – Riverside, California:
