Schedules are reserved on a first-come, first-served basis and class schedules vary for each class start date. A waiting list may exist for some class starting dates. In the event Student has completed all requirements to reserve a class schedule and is on a waiting list, Student will be placed on the next available starting date schedule. Schedules are by request only. The College reserves the right to change schedules and move students.

Please see Miscellaneous Fees below for a list of potential fees. Including but not limited to an international fee of \$2000. Should additional fees be required, an approximate 30 days advance notice to the student and state approval will be required.

Any interruption in training may create a change in Student's tuition charges. Upon re-entering, student will be charged the current rate.

Associates Degree students that completed the A&P Diploma Program will not be charged another Insurance or Application Fee

Note: The following fees need to be added to the total program cost for international students: (1) \$2,000 International Student Fee. *Spartan International Scholarship may be available to those that qualify. (See International Student Requirements in the College Catalog.) After Receiving the I-20 A-B form the student needs to pay the SEVIS I-901 fee of \$200 prior to the VISA interview with the American Embassy or Consulate.

All tuition and program lengths are based on a student attending the full program for which he or she is enrolled. An academic year for the Technical College is defined as completion of 900 clock hours. The satisfactory completion of the clock hours in the academic year is necessary before a student may progress to the next level of academic standing.
